OUR LUNGS ARE DELICATE

Overwork, lack of fresh air, mental strain or any sickness disturbs their functions. Stubborn coughs tear and wear the sensitive lung tissues.

SCOTT'S EMULSION

should be taken promptly for hard coughs, unyielding colds, or when strength is lowered from any cause. Its high nutritive value creates resistive force to ward off sickness. The rich cod liver oil improves the quality of the blood to relieve the cold and the glycerine is soothing and healing to the lung tissues.

Everywhere under the sun—
wherever roofs are laid—
Certain-teed stands for these two things:

Efficiency Economy

CERTAIN-TEED roofing is the most efficient and economical type of roof for factories, office buildings, farm buildings, garages, etc., because the first cost is less than that of metal, wood shingles, or tar and gravel. This is particularly so now, because of the present high prices of some of the materials. CERTAIN-TEED costs less to lay than any other kind of roof. It will not rust, is not affected by fumes, gases and acids, coal smoke, etc.; it is light weight and fire retardant. Every rain washes it clean; and it does not melt or run under the hot rays of the sun, nor can it clog gutters and down spouts.

Certain-teed Roofing

is the best quality of prepared roofing. It pays to get the best. The only difference between the first cost of a good roof and a poor one is in the materials—the labor, freight, etc., costs the same in both. As CERTAIN-TEED Roofing is guaranteed for 5, 10 or 15 years according to thickness (1, 2 or 3 ply) it will be in splendid condition years after a poor quality roof has to be replaced.

For residences, Slate Surfaced Asphalt Shingles have all the advantages of CERTAIN-TEED Roofing, plus artistic beauty; not bulky, and are uniform in weight, quality and appearance. They need no paint, are pliable, eliminate waste and misfits, cannot curl, buckle, rot or crack. Guaranteed for ten years. Investigate CERTAIN-TEED before deciding on any type of roof. For sale by dealers everywhere.

Certain-teed Paints and Varnishes

are good, reliable products made by experienced paint men, who have at their command all the machinery, equipment, materials and resources necessary to manufacture good paints and varnishes economically—as well as the extensive selling organization and warehouse system of the Certain-teed Products Corporation, which materially reduces marketing costs. Guaranteed to give satisfaction.

It will pay you to see that you get CERTAIN-TEED Paints and Varnishes. Any good dealer can sell them to you or get them for you.
